
Shopoff Realty Investments Expands Distribution Team with Key New Hires

September 3, 2014

Shopoff Realty Investments, a private real estate investment company, has recently welcomed a number of new members to its growing distribution team. The California-based firm specializes in realizing untapped value through the transformation of undervalued, underutilized and mismanaged real estate into more attractive and valuable assets.

Camp Cuthrell has been hired as Regional Vice President for Shopoff's Western Region. Previously the Managing Director of Triton Pacific and Franklin Square, Mr. Cuthrell attended Texas University and holds FINRA series 7, 63, and 65 licenses.

The role of Regional Vice President of the Eastern Region has been filled by Ben Matheson, formerly of Preferred Apartment Communities. Mr. Matheson holds FINRA

series 7, 24, 63, and 65 licenses and is a graduate of the University of Florida.

In addition, Shopoff has hired Joe Laganza as Director of Strategic Accounts. Mr. Laganza holds FINRA series 7 and 63 licenses and prior to joining Shopoff, has worked at ATEL Securities, Griffin Capital and Lightstone Group.

"We are excited about the growth and quality of our distribution team," commented Bill Shopoff, CEO of Shopoff Realty Investments. "Hiring tenured and knowledgeable industry leaders has always been an integral part of our business. With the addition of Joe, Ben, and, Camp we have added three exceptional professionals with an extensive history of excellence," he added.

Shopoff Realty Investments and its executive team have completed over 5,000 real estate transactions, which include the acquisition, management, entitlement, and development of more than 10,000 parcels and lots, 50,000 multifamily units, and 5 million square feet of commercial properties, with an aggregate value of more than \$4 billion.
